Freight train, freight train going so fast

F  
Freight train, freight train going so fast

A7 Bb  
Please don't tell what train I'm on

F C7 F  
So they won't know where I've gone *Whistle*

F C  
Freight train, freight train going round the bend

F  
Freight train, freight train coming back again

A7 Bb  
One of these days turn that train around

F C7 F  
And go back to my home town

F C  
One more place I'd like to be

One more place I'd like to see

A7 Bb  
To watch them old Blue Ridge Mountains climb

F C7 F  
When I ride old number nine

F C  
When I die Lord bury me deep

F  
Down at the end of Chestnut Street

A7 Bb  
Where I can hear old number nine

F C7 F  
As she comes on down the line *Repeat 1<sup>st</sup> verse*
