

# Happiness

[G] [C]

## Chorus:

Oh...[C] Happiness, [F] happiness, the [G7] greatest gift that [C] I possess  
 I [C] thank the Lord that [F] I've been blessed  
 With [G] more than my share of [C] happiness

To [C] me this world is a [F] wonderful place,  
 I'm the [G7] luckiest human in the [C] human race  
 I've [C] got no silver and I've [F] got no gold, But [G] I've got happiness [C] in my soul  
 [C] Happiness *La la la la* to me is an [F] ocean tide *La la la la* Or a [G7] sunset *La la la la* on a mountain [C] side *La la la la*  
 A [C] big old heaven *La la la la* full of [F] stars above, *La la la la* When [G] I'm in the arms of the [C] one I *La la la la*  
 love

## Chorus:

Oh...[C] Happiness, [F] happiness, the [G7] greatest gift that [C] I possess  
 I [C] thank the Lord that [F] I've been blessed  
 With [G] more than my share of [C] happiness

[C] Happiness is a [F] field of grain [G7] turning its face to the [C] falling rain  
 I can [C] see it in the sunshine, [F] breathe it in the air,  
 [G] Happiness, happiness [C] everywhere  
 A [C] wise old man *La la la la* told [F] me one time, *La la la la* [G7] happiness is a [C] frame of mind *La la la la*  
 When [C] you go measuring a [F] man's success, *La la la la*  
 [G] don't count money *La la la la* count [C] happiness *La la la la*

## Chorus:

Oh...[C] Happiness, [F] happiness, the [G7] greatest gift that [C] I possess  
 I [C] thank the Lord that [F] I've been blessed  
 With [G] more than my share of [C] happiness
