And you [Dm] need someone to [F] lean on

When you [Dm] look there's no one [G] there

You're gonna [C] find me, [F] out in the [C] country [F]

You're gonna [C] find me, [F] way out in the [C] country [F]

Chorus

Where the [C] air is [F] good and the [C] day is [F] fine

And the [C] pretty [F] girl has her [C] hand in [F] mine

And the [C] silver [F] stream is the [C] poor man's wi-[Am] -ne

In the [Dm] country, in the [D] country [G]

When you're [C] walking in the [Em] city

and you're [A] feeling rather [A7] small

And the [Dm] people on the [F] sidewalk

seem to [Dm] form a solid [G] wall

You're gonna [C] find me, [F] way out in the [C] country [F]

You're gonna [C] find me, way [F] out in the [C] country [F]

Chorus

[C] Hurry, hurry, hurry, for the [Bb] time is slipping by

[C] You don't need a ticket, it be-[Bb]longs to you and [G] I

Come out and [C] join me, yeah [F] out in the [C] country [F]

Chorus

[C] Bah, ba ba ba bah, ba ba ba bah, ba ba ba bah,

[C] Bah, ba ba ba bah, ba ba ba bah, ba ba ba bah
