

## Winters Tale

The **(C)** nights are **(G)** col**(C)**der **(F)** now **(Am)** Maybe I should close the **(F)** door  
 And anyway the **(C)** snow has **(G7)** covered all your **(Am)** footsteps  
 And **(F)** I can follow you no **(G)** more  
 The **(C)** fire still **(G)** burns **(C)** at **(F)** night  
 My **(Am)** memories are warm and **(F)** clear  
 But everybody **(C)** knows it's **(G7)** hard to be **(F)** alone at this **(G7)** time of **(C)** year **(F)(C)**

## CHORUS:

It was **(C)** only a winter's **(G7)** tale, **(C)** Just another **(C7)** winter's **(F)** tale  
 And **(C)** why should the world take **(F)** notice Of **(C)** one more love that's **(G)** failed  
 It's A **(C)** love that can never **(G7)** be Though it **(C)** meant a lot to **(C7)** you and **(F)** me  
 On a **(C)** worldwide scale we're **(G)** just another **(G7)** winter's **(C)** tale **(F)(C)**

**(C)** While I **(G)** stand **(C)** a**(F)**lone  
 A **(Am)** bell is ringing far **(F)** away  
 I wonder if you **(C)** hear  
 I **(G7)** wonder if you **(Am)** listening  
 I **(F)** wonder where you are **(G)** today  
 Good **(C)** luck, I **(G)** wish **(C)** you **(F)** well  
 For **(Am)** all that wishes may be **(F)** worth  
 I hope that love and **(C)** strength are **(G7)** with you for the **(F)** length  
 of your **(G7)** time on **(C)** earth **(F) (C)**

## CHORUS:

It was **(C)** only a winter's **(G7)** tale, **(C)** Just another **(C7)** winter's **(F)** tale  
 And **(C)** why should the world take **(F)** notice Of **(C)** one more love that's **(G)** failed  
 It's A **(C)** love that can never **(G7)** be Though it **(C)** meant to love to **(C7)** you and **(F)** me  
 On a **(C)** worldwide scale..... we're **(G)** just another **(G7)** winter's **(C)** tale **(F)(C)**
